MISSION STATEMENT

The mission of Catholic schools in the Diocese of Altoona-Johnstown is to empower students to reach their full spiritual, intellectual, physical, social, and moral potential. In this unique Catholic environment, young people are given the opportunity and guidance to grow in their personal relationship with Jesus Christ and his Church; come to understand the role of faith in daily life; and help others to discover the same truth and joy of his Gospel.

ADMINISTRATION

Diocesan and parochial schools of the Diocese of Altoona-Johnstown are those which meet all of the following conditions:

- are recognized as Catholic by the Bishop of Altoona-Johnstown.
- are responsible to the Diocesan Director of Education for such matters as have been determined by the Bishop of Altoona-Johnstown and are subject to the Director's regulations.
- are governed by the Diocesan School Policies and Regulations.
- have written belief and mission statements which identify the school as Catholic.
- have a program of religious education which conforms to the standards determined by the Education Office of Altoona-Johnstown and the Office of Religious Education and Catechesis.
- are recognized by the Commonwealth of Pennsylvania.

ADMISSION POLICIES

In accordance with the Diocese of Altoona-Johnstown Policy 5020 Admission:

Since the formation of students in the Catholic faith heritage and its religious traditions is the primary purpose for which our Catholic schools have been founded, both parents/guardians and students must be willing to abide by the values inherent in our Catholic faith and by our philosophy of Catholic education.

Students and parents/guardians who desire an educational experience founded on the Catholic philosophy of education and who fulfill the requirements and conditions for enrollment specified below, are eligible for admission to the Catholic schools in the Diocese of Altoona-Johnstown without discrimination with respect to sex, race, ethnic origin or disability, if with reasonable accommodation, they can meet the school's requirements, according to the subsequent provisions of this policy.

The request for the admission of students from a public or private school must be carefully reviewed and the reasons for the request examined.

In accordance with diocesan policy, the diocese encourages participation of all children in a kindergarten program prior to entering first grade.

Kindergarten Admission

Those seeking admission to kindergarten must be 5 years of age on or before August 31 of the year of entry.

Registration is ongoing and continues until class is full.

In Pennsylvania, kindergarten is not a required grade.

When registering a kindergarten student, the parent(s)/guardian(s) shall present proof of age and (for a Catholic child) a baptismal certificate. A Christian, non-Catholic student shall present a baptismal certificate and note the denomination when possible. Incoming students shall be given a school health examination form, which must be completed by the

parent(s)/guardian(s) and the student's physician. This form should be returned to the school prior to the beginning of the school year.

Immunizations

The Pennsylvania Department of Health promulgates immunization regulations that require parents or guardians of students enrolled in grades K-12 to have their children immunized against various communicable diseases. Records will need to be given to the administrative offices of the diocesan school on or before the fifth day of class.

Probation Period for all Students

All newly enrolled students are subject to a 9 week probation period. The school reserves the right to determine that the school is not a good fit for the student and to require withdrawal of the student. In such a case, any tuition paid will be refunded.

ACADEMIC POLICIES

Student Progress

The school uses the diocesan system (PowerSchool) for reporting pupil progress. This may include progress reports and interim reports which will be based on evidence from multiple assessments which demonstrate a student's understanding of the different academic content standards, teacher observations, or similar feedback, when appropriate.

Standardized Testing is also to be utilized to track student progress. Diocesan curriculum can be found on the Diocese of Altoona-Johnstown website: www.dioceseaj.org .

Honor Roll, Parent Conferencing, and Report Card information will be in the School Section if applicable.

Grade scale:

A = 93-100

B = 85-92

C = 76-84

D = 70-75

F = Below 70

Some Schools of the diocese will use a customized standard-based report card. This will be posted in the school section.

Grade Retention/Promotion

Satisfactory completion of each grade is to be expected of every student. Absence itself, for a valid reason, is not a reason for retention of a student if the student has completed the required work.

Retention of students is appropriate where it is intended to enable a student to gain future developmental, emotional and/or educational maturity and success.

ATTENDANCE

Full day attendance is expected of all students. Information pertaining to your school attendance policy will be posted in the School Section.

COMMUNICATIONS

Open communication between home and school is important for student progress and maintaining a healthy school climate. The proper line of communication in discussing any facet of your child's progress is to first contact the teacher directly. This may be done through a written message, e-mail or by telephone. Teachers are unavailable during class hours but will respond within two school days. If a satisfactory solution cannot be reached, the parent/guardian

and/or teacher will inform the principal. If the problem remains unsolved, then the parents/guardians may have recourse to the pastor and or diocesan education office. Because of the interruptions in the teaching-learning process, spontaneous visits to the classrooms are not permitted.

Weather delays/cancellations will be announced via School Messenger, television, and radio by each individual elementary school.

CONFIDENTIALITY

Administrators, counselors, and teachers will keep confidential information entrusted to them so long as no one's life, health, or safety is at stake. Student progress will only be discussed with parents or legal guardian. Progress cannot be discussed with grandparents, friends, etc. without **written permission** from legal guardian.

SUPPORT SERVICES

Counseling, speech, language, occupational therapy, and other services will be provided through the local Intermediate Units.

EMERGENCY OPERATION PLAN

Diocesan Schools have each developed an Emergency Operation Plan in cooperation with state and local authorities. The plan must be approved by the Education Office of the Altoona-Johnstown Diocese. Parents/Guardians should stay tuned to local media sites for important information.

CUSTODY

Administrators, counselors and teachers will keep confidential information entrusted to them so long as no one's life, health, or safety is at stake.

The school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and other school-related information regarding the child. A current physical address, e-mail, and phone number must be provided by the non-custodial parent in order to obtain information.

If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order dealing with the education/visitation of the child. It is also the parent's responsibility to inform the school of the addresses where the student's records should be sent.

Divorced parents must provide the school with a court certified copy of the custody section of the divorce decree. If no such copy is on file, school officials will assume that both parents have custodial rights. Parents/guardians must provide the school with the most current court certified copy of the custody decree.

School officials will make all reasonable efforts to ensure that children are released only to the appropriate parent at the time/days according to the court custody arrangements. However, parents must accept the primary responsibility for such arrangements and should instruct their children as to which parent should have physical custody of them on any given day.

Please note: The school, its teachers, and administrators cannot become involved in adjudicating marital disputes. Parents, in such cases, should strive to keep their personal issues out of school. The school's responsibility is with the child and his/her welfare.

MANDATED REPORTING

Everyone working with your child is a mandated report. We are not permitted to contact parents if a child is interviewed by Children and Youth Services and/or police.

DISCIPLINE BEHAVIOR MANAGEMENT

Schools will try to develop the art of discovering the good in every person and show respect for one another. In other words, we...

- include everyone.
- are kind in our words and actions.
- stick up for one another.
- support and encourage each other.

Students recite a “Peacekeeper’s Pledge” that helps to remind them what the expectations are at Diocesan Schools. “I am a _____ Catholic School Peacekeeper. I promise to be kind in my thoughts, words, and actions. By doing this, I will keep our school a safe place to be as Jesus teaches us, I will do unto others as I would have them do unto me.”

When a child makes a poor choice, teachers will talk to the child and decide what action, if any, is to take place. Depending on the severity and/or frequency of the behavior, the teacher will inform the parents/guardians and/or principal to discuss an appropriate action. Ways to handle poor choices can include (but are not limited to) reflection, discussion, writing, temporary isolation (time-out), loss of privileges, etc.

For certain situations, the school pastor will also be included in the disciplinary action.

General Overview

A variety of behavior management techniques, strategies, and procedures will be used to the extent necessary to ensure that the learning environment provided is not disrupted by inappropriate student behavior. Corporal punishment and verbal abuse are not permitted.

Authority of the Administration, Faculty, and Staff

Every teacher, staff member, and administrator has the right to exercise authority as to the conduct and behavior of students in the school during the time they are in attendance.

Classroom-based Expectations and Management

The following chart illustrates categories of student misbehavior/misconduct:

	Example of Infraction Category			
	Bus-specific	Minor	Serious	Major
Includes, but not limited to:	Out of seat, shouting, throwing objects, fighting, etc.	Dress code violation, Classroom misconduct, Profanity, Horseplay, Loitering, Cafeteria misconduct, Repetitive playground offense, unsportsmanlike	Fighting Insubordination, Defiant behavior, Verbal harassment, Sexual harassment, Misuse of	Theft, Vandalism Possession/misuse of lighters, matches, Possession of weapons and/or “look-a-likes”, Assault on staff, Under the influence of or in possession of alcohol, non-prescription drugs,

		conduct (including P.E.)	Technology, Cyberbullying	tobacco products, or abuse of prescription drugs.
--	--	--------------------------	---------------------------	---

This chart is not considered a complete or exhaustive list of infractions, but serves to give illustrative examples and their categorization. The administration has the final say as to the category to which a student’s specific behavior belongs, as well as the consequences thereof.

Parent/Guardian Notification

Depending on the severity of the infraction, if a student commits an infraction, the teacher/administrator may contact the parents/guardians about the situation and meet with the student (and parents/guardians, if applicable) to discuss the consequences. A pattern of continuous infractions will result in a Parent/Guardian Conference.

If a student commits an infraction while riding district-provided transportation (school bus/van), the driver will fill out a referral form and give it to the school office. The administration is responsible for contacting the parents/guardians about the incident and taking any disciplinary action with the student.

Student Consequences of Misbehavior/Misconduct

Each school will maintain a Conduct Record on each student. Each Diocesan Catholic School teacher and/or designated learning support expert maintains his/her own classroom behavior expectations and management procedures. These expectations and procedures are discussed with the students during the first week of classes. Written outlines of classroom expectations and procedures are available upon request. If at any time a student is unwilling or unable to meet the expectations of classroom behavior, he/she may be referred to the administration. Student Conduct Records will be maintained in the school administration office.

FIELD TRIPS

A standard permission form must be signed and returned to the school prior to the scheduled field trip for the student to participate in the trip.

A student who fails to submit a standard permission form prior to the trip will not be permitted to participate. Only the STANDARD PERMISSION FORMS obtained from the school office/published online are acceptable. Notes from parents or legal guardians giving permission are not acceptable.

Field trips must be educational and must be approved by the principal in consultation with Diocesan Education Office

Field trips are a privilege. No student has an absolute right to a field trip. A student may be denied participation if he/she demonstrates inappropriate behavior, or does not meet academic standards including grades, class assignments, and homework. Parents/Guardians have the right to refuse their child's participation in a field trip. However, the child must report to school the day of the field trip or be marked absent.

Participation in field trips is restricted to those students in the class for which the trip is scheduled. Siblings or other children are not permitted to attend field trips. All designated chaperones are required to have completed the diocesan youth protection requirements.

EXTRA-CURRICULARS

Every Student who does participate in a field trip/school sponsored extra-curricular activity is expected to obey all discipline codes as outlined in this handbook.

Students who participate in an extra-curricular activity should behave as if they are representing their Catholic School and should behave accordingly.

Attendance at school is required to participate in school sponsored extra-curricular activities scheduled that day or evening. The Student must be in school for at least half a day to participate. Exceptions may be considered but building principal must be consulted in advance.

MEDICATIONS

A policy implemented by the Pennsylvania Department of Health, regulates the administration of prescription and over the counter medication (OTC) to students throughout the school day. The directives are as follows:

1. **No one except a licensed professional** can dispense prescription or over the counter (OTC) medication in a school. **The office personnel will not dispense Ibuprofen, Acetaminophen, Tums, cough drops, or prescription medications.**
2. In the absence of a licensed professional, neither the secretary nor the principal can administer OTC meds or those prescribed by a doctor **UNLESS** it is an emergency medication (**epinephrine or asthma inhaler**).

A **doctor's order** must accompany **prescription or OTC** medications to be dispensed only by a licensed professional (school nurse). Again, even with a doctor's order, **office personnel are NOT PERMITTED** to dispense any prescription or OTC medications.

For example, if cough medicine is brought to school it cannot be given unless the doctor has signed an order to be administered during school hours and **ONLY IF THE NURSE IS PRESENT** to dispense the ordered dosage.

3. In the event your child is on a maintenance medication, for example Insulin, arrangements can be made with our district school nurse to administer the medication on the contingency that a doctor's order has been issued and is on file with our office.
4. All medications must be delivered to the office by an adult. Students may not transport medications.

Parents/Guardians are permitted to administer their child's prescription and OTC meds during school hours. When your child is ill and unable to finish out the school day, you will be notified so that you can make a decision on what you think would be the best plan of action for you.

PARENT/GUARDIAN COOPERATION

The education of a student is a partnership between the parent(s)/guardian(s) and the school. Just as the parent/guardian has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken.

Parental/Guardian Rights

- to have your children's safety be a priority;
- to have your children receive an authentic, Catholic education in a Catholic environment;
- to have your child's learning needs met if the program can reasonably accommodate them;
- to have your children taught by competent teachers who respect and care for them;
- to talk with personnel and to have requests for meetings answered in a timely manner;
- to have your children "try out" for all program activities and teams;
- to review records and respond;
- to participate in the life of the school and parish.

Parental/Guardian Responsibilities

- to be a partner with the school in the education and formation of your children;
- to understand and support the Catholic identity of the school;

- to read all communications from the school and to request clarification when necessary;
- to know your children's teachers and to observe parent-teacher conference dates and any special requests for meetings;
- to discuss concerns and problems with the person(s) most directly involved before contacting other authorities;
- to be as actively involved as you can be in the life of the school and to volunteer assistance when possible;
- to promote our parish(es) and school and to speak well of them to others;
- to know and support school rules; and
- to appreciate that Catholic education/formation is a privilege that many persons do not have.

--adapted from Volunteers in Catholic Education: An Administrator's Guide to Legal Considerations (2nd ed.) by Mary Angela Shaughnessy, SCN (NCEA, 2007.)

Family Responsibilities in Cooperation With School

Parents/Guardians must be the first to foster a loving and disciplined atmosphere at home. The school provides a setting for learning, but can only operate effectively with the cooperation of the family. To achieve a harmonious relationship parents/guardians are expected to:

- Provide for the spiritual, physical and mental development and well-being of the child.
- Be supportive toward the school and education in word and deeds and in social media outlets.
- Help the child develop into a positive, productive member of society and the church, taking seriously their baptismal promises to fulfill the spiritual upbringing of their children including regular mass attendance.
- Cooperate with and respect school policies and school personnel both in word and deed and in social media outlets.
- Be responsible for any financial obligations incurred by the child in school.
- Know and adhere to school philosophy and policy.

The Family Educational Rights and Privacy Act gives parents/guardians the right to inspect their child's educational records, and to have a school official explain the records if requested. Any parent/guardian who wishes to see his/her child's records should contact the school principal for an appointment

Parent/Guardian Service Requirements

If the Diocesan School requires service and/or fundraising, details are provided in the individual school section.

Retreats and Service Program

If the Diocesan School offers retreat and service programs, details are provided in the individual school section.

TECHNOLOGY & INTERNET

The Diocese of Altoona-Johnstown issues an Internet Usage Policy and a Remote Instruction Policy that requires a parent/guardian and student signature of agreement. Schools also issue a

Hardware Use Policy that details the use of devices, acceptable behaviors and financial responsibilities should devices be lost or damaged. The full policy can be found in the Appendix

PERSONAL PROPERTY

The school is not responsible for any personal property brought into the school by the student including electronic devices.

CELL PHONES AND PERSONAL ELECTRONIC DEVICES

Cell phones, smartwatches, and other personal electronic devices **are not** to be used during school hours. If used, the device will be taken by the student to the administrative office and can be picked up at the end of the day. The location of the device pick up will be determined by each school.

USE OF SCHOOL GROUNDS

Schools are responsible for students only during posted school hours. Hours should be posted in the Individual School Section. Children are not to be on school grounds unattended at any other times.

AMENDMENTS TO HANDBOOK

The school reserves the right to amend this handbook. Parents/Guardians will be given prompt notice of any amendments.

Prior to the first day of school, parents/guardians must sign and return this agreement either in person or submit electronically:

In consideration of _____ School's provision of a Catholic education for my/our children, I/we, _____ the parent(s)/guardian(s) of _____, have read and agree to be governed by this handbook and to pay all required tuition and fees.

Student Use of the Internet in School

The Diocese of Altoona-Johnstown (DAJ) is fortunate to have a connection to the Internet to supplement the other educational resources already available to staff and students. Through the Internet, your child will have the entire world at his or her fingertips and be able to explore it.

This wonderful resource brings with it additional responsibility. As Internet users, we must be aware of the many issues that surround the Internet. There are many valuable resources available on the Internet that may not be found elsewhere. There are also many sites that can be considered inappropriate for students and serve no educational value. It is the responsibility of all users, staff and students alike, to ensure that, at all times while in a Diocesan School, the Internet is being used only for educational purposes. When using the Internet, students will be supervised by Diocesan School Staff. However, due to the nature of the Internet and evolving technology, even with supervision, students may get to an inappropriate site. It is the student's responsibility to report any inappropriate site to the teacher and return to the educational topic assigned.

As part of our internet safety policy, schools will educate minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and cyberbullying awareness and response. This is required by the Protecting Children in the 21st Century Act.

The following Acceptable Use Policy (AUP) should be read carefully and understood by all Internet users. As parents/guardians, you should review it in detail with your children before they begin using the Internet in their school. The Acceptable Use Policy was developed to ensure the safety of all users.

The DAJ uses a filtering system designed to prevent access to educationally inappropriate sites. However, it is important to understand that no solution is perfect, and we cannot guarantee that students will not have access to inappropriate sites.

Parents should be aware that DAJ educators can request that a specific site be blocked or un-blocked. Such decisions will be made by those responsible for monitoring the filtering service within the DAJ.

It is important that you and your children understand that any violation of the AUP may result in the loss of Internet and e-mail privileges or other disciplinary action. We ask that you work with your children in reinforcing the behaviors associated with the AUP and the attached student contract. Please also note that our filtering system allows us to track and monitor all computer use on the network.

Acceptable Use Policy for Networks, Including the Internet

It is the policy of the Diocese of Altoona-Johnstown that all technology used to access the network will be used in a responsible, legal, and ethical manner. Failure to do so will result in the termination of network and e-mail privileges for the user.

Individual users of the network—students and adults—are responsible for their use of the network. The use of the network must be in support of education and research and must be consistent with academic actions of the Diocese of Altoona-Johnstown School System and will be under the supervision of Diocesan Staff. Use of other organizations' networks or computing resources must comply with the rules appropriate for that network. Use of the network for any illegal or commercial activities is prohibited.

- ❖ A responsible network user will:
- ❖ Use language that is considered appropriate.
- ❖ Be polite.
- ❖ Send information that other users will not find offensive.
- ❖ Conform with copyright laws and always give credit to the author of the material used.
- ❖ Never reveal personal information about any user such as address, telephone number, credit card numbers, social security number, etc.
- ❖ Neither tamper with the system nor alter, delete or destroy any files or data that are not yours.

A responsible network user must be aware that:

- ❖ Use of the network and e-mail is a PRIVILEGE, not a RIGHT.
- ❖ The DAJ network is to be used only for educational purposes.
- ❖ E-mail is not guaranteed to be private.
- ❖ Identifying photos of students with their first and last names may not be used on a web site.
- ❖ It is important to log off the computer at the end of every session, so another user can not use your password.
- ❖ Violation of this policy will result in the possible loss of Internet privileges and/or disciplinary action pursuant to the Code of Ethics for Catholic Schools and/or prosecution under state and federal law.
- ❖ Persons issued an account are responsible for its use at all times.

Acceptable Use Policy for Networks, Including the Internet
Student and Parent/Guardian Signature Page

It is the policy of the Diocese of Altoona-Johnstown School System that students and staff will use all technology to access electronic (“computer”) networks, including the Internet and email, in a responsible, legal, and ethical manner. Failure to do so may result in the loss of network privileges for the user, disciplinary action under the Code of Ethics for Catholic Schools, or prosecution under federal or state law.

I have read and understand the Acceptable Use Policy for Diocesan Schools Internet use (Attachment 1). I understand that use of the Internet and e-mail in school is a privilege, not a right. Use of the Internet in school is designed strictly for educational purposes. I also understand that the DAJ is taking measures so that my child does not have access to any material deemed inappropriate, but because no filtering system is perfect, my child might gain access to an inappropriate site. I agree that I will not hold the DAJ responsible for any access by my child of any inappropriate materials acquired on the Internet.

By signing below, I give my child permission to work on the Internet and use e-mail for educational purposes.

By not signing, I understand that my child will not be permitted to work on the Internet and use e-mail in school.

Guidelines for Use of Photographic

Images of Children and Youth

The following guidelines will be adhered to and authorization form obtained when required, for use of photographic images of children and youth by diocesan Departments, Parishes, Schools, and Agencies.

For children/youth under 13 years of age:

Parent permission (release form) **Must** be obtained for any photographic images of children **under 13 years of age** that are used for publicity, brochures, newsletter, web sites, etc.

For children/youth between 13 and 18 years of age

If photographic images being used are covering “news” or a specific event, the use of identifiable photographic images is allowed. Examples of this would include sports games/championships, Boy or Girl Scout Jamborees, award services, Youth Ministry Rallies/events, etc.

If identifiable photographic images are being used as a marketing or development item, permission (release form) must be obtained from the parents to use an identifiable picture. Examples of this would be flyers, brochures, web sites, etc., that would be advertising services, schools, programs, etc. In other words, if the project is “planned,” the youth are being used as “models” and the Photographic images are identifiable, then permission (release form) is needed.

If photographic images on a web site are merely to enhance it and are not being used to report news or specific events, then permission (release form) is needed to use identifiable photographic images.

Parental permission (release form) is needed to include any type of video (VHS or streaming) which shows children in a classroom doing “work” or answering questions – this video is considered an “educational record” and cannot be included without permission of parents.

The safest photographic images to use of youth over 13 for enhancement/marketing are “unidentifiable” photographic images – photographic images taken at a distance, from the side, from the “top”, large group activities, etc.

NOTE: Duplicate this letter on Parish, Diocesan Office Department, or School Letterhead

I understand that web page references and web page photographic images will be removed within thirty (30) days of the written notification. Philosophy of Lock Haven Catholic School

Catholic education at Lock Haven Catholic School serves the mission of the Catholic Church by: spreading the Gospel and our faith's traditions and teachings; fostering intellectual development; and serving others in our community and the world. We are challenged to live our faith by integrating God, education, and service with all aspects of life.

Each student is a unique child of God with special gifts and abilities, created for God's purpose. It is our sacred responsibility to guide, teach, and inspire our students in their spiritual and academic growth.

The process for structuring the total student experience involves regular review and revising to meet and/or exceed current education standards and the demands of our dynamic world culture.

We seek to promote harmony in life through solid education in the Catholic religion, academics, and values. This foundation will serve a lifelong purpose to illuminate the student's journey toward becoming a faithful, respectful, and contributing member of our world community and the Kingdom of God.

The cooperative, interpersonal relationships among and between families, teachers, and students build a productive Catholic school community...one with the spirit of God's family.

The purpose of Lock Haven Catholic School is to provide the environment and the means by which the whole child is developed and nurtured. This wholeness includes spiritual, intellectual, emotional, physical, personal, and social growth.

Mission Statement

Lock Haven Catholic School is dedicated to educating kindergarten through eighth grade students in faith, academics, and Christian values while providing an environment of cooperative, interpersonal relationships among and between families, teachers, staff, and students. This foundation will serve the lifelong purpose of guiding the students' journey in becoming morally responsible and contributing members of an ever-changing global community.

Accreditation and Goals

Lock Haven Catholic School is accredited by the Middle States Association of Colleges and Schools, Commission on Elementary Schools.

Attendance Policy

Every effort should be made for perfect attendance since each day of absence is a loss of learning. When it is necessary for your child to be absent from school, parents/legal guardians must notify the school office by email (lhcs@lhc.org). If a parent or legal guardian can only call the office to excuse an absence, they must still send in a written notice regarding the absence. The written notice or email must include the student's name, days, reason for absence, and a signature. A doctor's note will also take the place of a signed written notice from parents/legal guardians. Homework requests may be made by 11am, but homework may not be picked up until after the school day on the day of an absence. Teachers need adequate time to prepare materials to send home.

Under the law, tardies/absences without excuses are to be reported as unexcused absences. If within three days of the tardy/absence, we have not received an excuse or notice, the absence becomes unexcused. After three unexcused absences, a parent/guardian conference will be held. We will make every attempt to ensure that all our students' absences are accompanied by an excuse, but we ask for your cooperation as well.

If you are aware that your child will be absent from school for a period that exceeds four school days, please send a written notification to the office as soon as the anticipated absence is known. It is the parent/legal guardians' responsibility to also notify the classroom teacher to get any classwork that will be missed. It is the expectation that students will have all missing work completed upon the return to school.

Tardy Policy

The first bell rings at 7:55am. The tardy bell rings at 8:05am. Any student that arrives to school after 8:05am will be considered tardy. A student that is tardy must sign in at the front office and receive a tardy pass to give to their classroom teacher. When a student is tardy, parents/guardians will be expected to turn in a written notice or physically drop their child off in the front office. If there is no excuse turned in to the office within three days after the unexcused tardy, the tardy will become unlawful/unexcused. If there are three unexcused tardies, a parent conference will be held. If your child rides a bus and the bus is running late, your child will not be marked as tardy.

Tuition

Lock Haven Catholic School operates in a sound and prudent financial manner. Its Finance Council creates a realistic budget to keep education affordable while maintaining high quality.

Parents and guardians are encouraged to pay the full tuition cost for their child. This, however, may be unrealistic for some families at this time so help is available for such situations.

Funds are sometimes available through the Simple Tuition Solutions and other grant and scholarship programs. Applications for these programs can be obtained by contacting the school.

Families that are members of a Holy Spirit Parish can also contact the Parish Finance Council to inquire if a parish tuition grant is available.

The obligation of tuition payment is a very serious one for parents. It is essential for the financial vitality and stability of the Lock Haven Catholic School that these payments are made on time and remain current.

Parents with delinquent accounts will be required to meet with representatives from the School Finance Council to discuss the balance on the account before initiating legal proceedings. The School's Finance Council would discuss the situation in a case by case situation. Please avoid legal proceedings, remit your payment on time. Convenient payment options are available to best meet the needs of parents.

Payment Options: Checks and cash can be deposited in the collection box in the Main Office. Credit card transactions (for tuition only) must be handled by Mrs. Sanders during her office hours.

- One-time payment by cash or check by August 15th will receive a 3% discount (this applies only if paying full amount of tuition without a Parish subsidy grant)
- Semi-annual payment paid by August 15th and January 15th (Late fee of \$25 each month)
- 10 month payment option with 1/10 of the total amount due by the 15th of each month with first payment due by August 15th (Late fee of \$25 each month)
- 12 month payment option with 1/12 of the total amount due by the 15th of each month with first payment due by August 15th (Late fee of \$25 each month)

Kindergarten Extended Day Program

Our quality kindergarten program is for a half day running from 8:15 – 11:15. Many parents expressed a need and an interest in keeping their children at the school for the afternoon. The school will determine in the spring of each year if the program will be offered for the upcoming school year. We must have at least 10 students enrolled in the program in order for it to be offered.

An extended day kindergartener's afternoon will be comprised of the following activities with dismissal the same as the other students:

- Lunch in the cafeteria (students may purchase a school lunch or pack)

- Recess
- Quiet Time (shared readings, video, etc.)
- Structured activities reviewing concepts taught
- Participation in afternoon scheduled school activities (assemblies)
- Dismissal

Communication

Throughout the school year, the school will use various formats to communicate with parents.

- A “White Envelope” with the monthly calendar, newsletter, volunteer list, lunch menu, and other announcements and information will be sent once or twice a month. Families must sign and return the physical “white envelope” the next school day.
- *SchoolMessenger* is used to make phone calls that remind families of meetings, inform families of school closings, delays, or dismissals, and/or give general information. It is very important to inform the school of any change to your telephone number.
- Follow us on Twitter, @LHCS311, and Facebook, @lhcs311, for up-to-date announcements.
- The school web site, www.lhcs.org, provides families with the most current information. Families can also find important papers if originals are misplaced.
- LHCS will be using Schoology as a Learning Management System. Please see the school website and classroom teachers for more information.

Change of Address/Telephone

Please notify the school office **immediately** of any change of address or telephone number. **Up-to-date records are important in handling emergency situations.**

Emergency Closings

If Keystone Central School District schools are closed, delayed, or have an early dismissal because of inclement weather, LHCS will be as well. Watch the television or listen to the radio for delays, closings, or early dismissals. SchoolMessenger will also be used to notify families.

Telephone and Cell Phone Use

The office telephone is for school business and emergencies. Children must have permission from the office staff to use the phone after their teacher approves the call. If you need to speak to your child's teacher, please call before or after school.

Children with cell phones and "smart" watches must keep them in their backpacks in their lockers, and the phones and "smart" watches must be turned off. If a child uses a cell phone during the school day, it will be taken, and a parent or guardian will have to pick it up from the school office.

“Change for Change” and Dress Down Days

At the beginning and the end of the school year, as well as for special occasions, we offer opportunities for students to “dress down” for the day. We also do this once a month through our “Change for Change” program where students can bring in change (money or donation), in order to change their clothes for the day (no uniform), to help change the world (all donations go to a family, organization, mission, etc.)

Guidelines for Dress Down/”Change for Change” Days:

- No hats
- No jeans, pants, or clothing with tears.
- No spaghetti straps, tank tops, or sleeveless shirts, high heel shoes
- School appropriate length shorts can only be worn during the “summer uniform” months (please see “Summer Uniform Option” on page 13)
- All words, pictures, emblems, etc. on clothing must be Catholic School appropriate

Grading

In kindergarten through 5th grades, LHCS uses a standards based grading system with the following scale:

- 4: Exceeds
- 3: Proficient
- 2: Basic
- 1: Below Basic
- +: distinguished in sub-skill
- Chk: proficient in sub-skill
- -: basic in sub-skill

The Diocese of Altoona-Johnstown’s grading scale is used for middle school students.

Homework

Homework is assigned to students in grades 1-8 almost every night. The purpose of the homework is for students to reinforce or expand on work done in class, develop and improve

study skills, strengthen work habits, and increase self-reliance. The homework may include review of math concepts, spelling, reading a book, reviewing notes, creative writing, working on projects such as book reports, etc.

If you feel your child is receiving too little or too much homework, please contact your child's teacher to discuss your concerns.

Library

Our library has an impressive collection of fiction and nonfiction available to meet a student's educational and entertainment needs. The main goal of the library is to foster the love of reading!

Books can be taken out every week during scheduled library time or at a time convenient to the homeroom teacher and librarian. Books and media checked out must be returned or renewed within a week.

Every student, kindergarten through sixth grade, will attend class in the library. Younger students will participate in story time and activities while older students will be taught library methods, research, and writing skills. Middle school students have ample access to the resources in the library.

Computers/Technology

LHCS tries to stay up-to-date with the latest technology. Students have access to computers in classrooms and the computer lab. All students will receive instruction in the computer lab at least once a week. This instruction time is coordinated between the technology instructor and homeroom teacher. If a student uses technology contrary to the teachers' directions, he/she will not be allowed to use technology at LHCS. Starting in third grade, students will receive a "Technology" grade twice a year on their report card.

Unfortunately, issues that might occur at home during the use of technology, might follow students to school, in particular unsupervised use of chat rooms on the internet. In order to help with this, please supervise your child's computer use at home in order to keep children safe and respectful.

Federal and State Programs

The Central Intermediate Unit under Act 89 provides LHCS students that qualify additional academic support. The programs available are:

- Speech
- Guidance
- Remedial Math
- Enrichment
- Occupational Therapy

LHCS also has Equitable Participation funds available to use for students with learning disabilities. The amount available varies from year to year. When available, a learning support teacher is hired to work with students that qualify.

LHCS utilizes a Title 1 reading teacher employed by Keystone Central School District. This teacher is at the school for half a day five days a week.

Lunch/Recess

Students need to eat a healthy, complete lunch in order to function throughout the afternoon. In order to do that, you might want to consider:

- If your child packs, get his/her input on what goes in the lunch, but also help to guide him/her in order to make some healthy choices.
- Even though it is convenient to have your child buy lunch, if your child does not like the meal being offered that day, consider packing a lunch for your child.

Considering these things will not only make your child happier, but it will also help them to stay healthier.

Please put money or check, made out to LHCS, in an envelope that has clearly marked the child's. The money will then be put into an account to purchase lunch, milk/water, or ala carte items (3rd – 8th grade students).

If a student is packing a lunch, please put it in a lunchbox or bag with the child's name written on it. Please do not include items in the lunch that need to be heated. The cafeteria personnel are very busy serving the hot lunches and will not have time to heat packed lunches. Anything in a glass container and soda are not permitted.

During recess (or anytime) weapons and inappropriate toys are forbidden. Students should not bring toys, electronics, or other distracting items to school without getting approval from teacher first.

Conferences

Parent/Teacher conferences are conducted school wide in November. If you need to speak to the principal or a teacher before or after November, please call the school and make an appointment.

Transportation/Parking

Keystone Central School District and Jersey Shore Area School District provide transportation to LHCS. Parents may choose to have their children ride the bus or they may drive them to school or let them walk. Transportation questions can be answered by calling the school district in which you reside.

When dropping students off in the school parking lot, please drive slowly and watch for students. **DO NOT** pass go around a car in the pick-up/drop-off line unless told to do so by school personnel.

- The parking lot will be used only for drop-off during the hours of 7:30 AM – 8:30 AM, and for pick-up from 2:00 PM – 3:00 PM. If there is a delay or early dismissal, please adjust those times accordingly. **Please do not park in the lot during these time periods.**
- The **exception** to this will be **school personnel** that will be arriving and parking for the day and will not be pulling back out into the moving traffic pattern.
- If you need to walk your student to or from the school, please park in the church parking lot and walk him/her across the street.
- This should keep the flow of drop-off and pick-up running smoother and keep the students safe from cars pulling out of parking spaces.

Arrival

LHCS administration, faculty, and staff are not responsible for students until the supervising teacher allows the students to enter their classroom at 7:45am. Students will be allowed in the building prior to 7:45am only during times of inclement weather or if previous arrangements have been made with the classroom teacher.

Dismissal

The last bell rings at 2:30pm. Students are expected to leave or be picked up no later than 2:45pm. If your child is still on the LHCS campus after 2:45pm, they will be escorted to the office and a parent/guardian will be notified.
